MINUTES OF LAST TWO MEETINGS

MEETING AUGUST 8/8/2011

President Jeff Garner called the Thursday, August 11, 2011 meeting to order at 7:50 P.M. in the home of Larry and LuAnn Jayne

Jeff thanked our hosts for opening their home and for providing the wonderful main course and beverages. Jeff thanked all of the members in attendance for bringing side dishes and desserts to share. The business meeting was proceeded by a social hour, dinner and a fun, interactive and informative program, "Water Garden Plants 101" presented by fellow member and Linn County Master Gardener, Rose Milden with assistance from fellow Master Gardener, LuAnn Jayne. Jeff welcomed and introduced new member, John Welsh to the club. Twenty-seven members were in attendance.

Jeff assumed the editorship of the club newsletter beginning with the August issue. Jeff asked members to submit articles or material for the next newsletter. Jeff suggested adding a "Buy-Sell-Trade" component to the newsletter. This suggestion was well-received.

Old Business

Jeff presented further details of the E.I.P.S. Wine tasting to be held at Jeff's and Kerry's home on Friday, September 16th from 7:00 to 9:00 P.M. The event will showcase American wines made from similar grapes of three featured regions of the country. East Coast versus Midwest versus West Coast wines. Volunteers are needed to provide food and to serve as pourers. Tickets will be available at a cost \$25/person (\$10/person if you provide food or work as a pourer). Jeff will have tickets available at the August 27 meeting.

At the July 23rd meeting it was suggested that the club consider buying club insurance through AKCA, which is now offered at \$125.00/year. A motion to purchase the AKCA insurance was made. Motion carried.

New Business

Jackie Allsup asked for volunteers to man the club's information booth at the August 27th Bruce more Garden and Art Fair. The event will be held on the grounds of Bruce more from 9:00-4:00. Free passes to the event will be made available to six members who volunteer to work a shift.

Old Business

Jeff reminded members of the E.I.P.S. Wine tasting to be held at Jeff's and Kerry's home on Friday, September 16th from 7:00 to 9:00 P.M. The event will showcase American wines made from similar grapes of three featured regions of the country. East Coast versus Midwest versus West Coast wines. Volunteers are needed to provide food and to serve as pourers. Tickets will be available at a cost of \$25/person (\$10/person if you provide food or work as a pourer). Tickets were available for sale or for members to take to sell to family, friends and coworkers.

Jeff thanked the club members who volunteered and spent the day at the Bruce more Garden and Art Show.

Action Item Connie Railsback asked that the club consider moving the date of our second meeting of August to a different date so that it no longer coincides with the annual Brucemore Garden and Art Show.

New Business

Jackie asked if members were interested in getting club shirts made, since it had been a while since members had done so. Some discussion followed by a show of hands. Due to members' interest, Jeff asked Jackie to look into the costs involved and report back her findings to the club.

Jeff suggested creating a club business card with the club's website address. Discussion followed.

Jackie reported that there is about \$1300.00 in 2011 Pond Tour proceeds available to be used per the vote of the club membership. Members should bring their written proposals including specific details as to what the money is to be used for and the amount requested, to the next meeting. Ed and Connie Railsback will host the next meeting, September 8, 2011. Master Gardener, Ellen Skripsky will present the program.

Jeff asked members to think about the possibility of a combined meeting, pond tour and potluck dinner with the Waterloo club in the Fall of 2012.

Immediately following the business meeting, Jamie Beyer presented an informational and entertaining program, "Nature's Way of Setting Rocks".

With no further business, the meeting was adjourned at 6:25 P.M.

Respectfully Submitted,
Kathi Albrecht, Secretary

SOCIETY NOTES AND INFORMATION

As mentioned in the minutes, we will be looking for ideas and/or organizations to give some of our pond tour proceeds too. Please bring any thoughts you have on this to one of the next two meetings. Please try to have a contact person for any of these ideas you are interested in giving funds too.

The recognition night is rapidly approaching and we need members for this committee. If you are interested and want to be placed on this committee, please contact myself or Tom. The event is usually very fun and we need to start getting it planned.

We would like to start a BUY/SELL/TRADE type of program here in the newsletter and/or website. If you have anything you want to sell/buy/or trade, send the information to myself by email and we will see about getting this started. Many times we have fish and products that we have no use for at this time so this might be a nice way to get the info out there to others that are looking for just such items.
